Dear Anne:

Your letter enclosing the genealogical form was received. Please forgive me for not answering sooner. It was nice to hear from my great, great Niece! Yes, that is the correct relationship and I believe you are the only one in that category that I have ever met.

You probably do not remember the time your Mother and her parents brought you one Sunday to visit my daughter and her family when they lived in Astoria, N.Y. You were about four years old and you and my grand daughter had a fine time that day.

In regard to the "family tree": I have entered any information I am able to give you. I used pencil, thinking you might wish to type it in. I am sorry to say that I never knew anything about my Father's parents, etc.. I do know that he died on the date I have set down on the form. I also know that my Mother and Father were married on Christmas eve, because my grandmother told me that. You will also note that I changed the date of

my Mother's death. I have no pictures of my Mother as a child. If there were any, I do not know what became of them. Sorry.

As for me, I would make poor trimming for any tree - family or otherwise! I was born in Cincinnati, but left there as a child, to live in Washington with my Mother's two sisters. There was never a family Bible (that I knew of) with family records, such as some people have. It is too bad, I think, as I feel people should keep such records.

Well, Anne, I am sorry that I cannot be of more help to you. As you can see (on the form) I am uncertain about the date of death of my Sister Mand. If your Grand Father does not remember, perhaps your Aunt Irene Payne would know. If you find out, I would appreciate knowing the correct date.

I hope this finds you and yours in good health. As I said before, it was nice to hear from you.

Affectionately your great, great
Aunt Irene.
